

MEMORANDUM

TO: City of Richmond Residents
FROM: Troy Jeschke, Director of Planning and Economic Development
RE: Zoning Ordinance Revision
DATE: April 28, 2005

On April 18, 2005, the City Council adopted Ordinance #156 which completely revised the City of Richmond Zoning Ordinance and Map. As part of this review, there were a number of changes to the zoning districts and map of the city. Unfortunately, we have not been able to prepare a digital copy of the map for our website as of yet. Once the map is available digitally, we will be able to produce paper copy maps as well. We have the capability of printing up to 36" by 48" size prints depending on your needs.

Should you have any questions regarding our new zoning ordinance and map please do not hesitate to contact me at (586) 727-7571 ext. 128.
