

# Lois Wagner Memorial Library

January 2015 *The Star Newsletter* Volume 6, Issue 1

A brand-new year offers fresh opportunities for change and improvement. In 2015 you'll see **many** changes in the Lois Wagner Memorial Library! Most of our materials have been—or will be—shifted and moved to new locations. We now have an audio-visual wall, filled with non-print materials which include DVDs and books on CD. We're also moving tables and chairs to better accommodate our collection and our library patrons. As with most change, the relocation of library material is a work in progress, and it's sure to continue well into the New Year!

Change can be a good thing, and we think our recent changes are good and needed. As always, the library staff is ready, willing and able to help you... "just in case" you can't find something we've changed!

The Lois Wagner Memorial Library Board of Trustees and the Library Staff welcomes Mary Lou Burg to our Library Board!

A very special **"thank you"** to the Friends of the Lois Wagner Memorial Library for all they did to assist us in 2014! Their hard work and dedication greatly benefited the library and the community of Richmond. Through the Friends, monies were donated to provide additional library books and materials, as well as sponsorship of our Annual Summer Reading Program.

Their most recent fundraising endeavor was the 20th Annual Christmas Cookie Sale, which was a **HUGE** success, thanks to the Friends and their many volunteer bakers!

Consider joining this wonderful group of library volunteers. The Friends meet once a month at the library and accomplish so much for us...and you! ♥
