September 2016

CHEERS TO 25 YEARS!

The library is celebrating a silver anniversary this year: September 11th, 2016 will mark Colleen Kelley's 25th year of service at the library. Colleen was hired at the library in 1991 by Lois Wagner, and she has been the smiling face at the circulation desk ever since.

Patrons appreciate Colleen's effortless banter and willingness to go above and beyond to answer any question; she is one of the best library resources we have! Colleen is the creative force behind the monthly newsletter, the artist behind each year's Town Clock Coloring Contest picture, and the detective behind the genealogical inquiries we get here at the library. She is also a supportive co-worker and friend to all of us here on staff, and we couldn't imagine the library without her.

HAPPY 25th ANNIVERSARY, COLLEEN!
