

## “Mayday, Mayday!”

The repetitious phrase of “Mayday” is an international plea for help. The month of May is the perfect month to remind our library patrons that we’re always here to help you. Please know that you can rely on us whether you need help with ideas, information, computers, contacts, titles, technology, etc. And you don’t need to shout “Mayday” to get our attention. A simple phone call, email, or visit will garner all of the help you need in the month of May... or any other month of the year!

## ~ Memorial Day ~

Moina Michael conceived an idea in 1918 to wear red poppies on Memorial Day in honor of those who died serving the nation during war. She was the first to wear one, and sold poppies to her friends and co-workers with the money going to benefit servicemen in need. Red poppies are still sold today to assist our United States Veterans. In 2013 “The Moina Michael Poppy Project” was founded by Emily Crews after reading the book entitled “The Miracle Flower.” [www.moinamichaelpoppyproject.com](http://www.moinamichaelpoppyproject.com)♥
