## Fall "Leaves of Trees" Youth Reading Program

The library is offering a fall reading incentive program, running now through November 5th, 2021. It is open to those in preschool through high school, and participating children complete a short book review for every book finished.

Each participant will receive a leaf to write their name and book title on, and we will hang it on one of our trees in the library. Participants will also have the chance to be entered in the weekly drawing for a half gallon of cider and half dozen donuts from Pankiewicz Cider Mill in Casco Twp; the winner will be one of the 10 best reviews submitted that week.

Program materials are available at the library now!
