New Library System Notice

August 31st, 2022: Last Day for Library Holds

September 22nd, 2022: New System Launches

With all Suburban Library Cooperative libraries, including the Lois Wagner Memorial Library, moving to a new library computer system in September, patrons will be unable to place holds for items from **9/1-9/21**. This includes holds from the Michigan eLibrary (MeL).

Patrons will still be able to visit the library and check out materials during this time. Holds for items within the cooperative will resume **9/22**; it will take several more weeks for MeL to be live again.

We appreciate everyone's patience during this time—please contact us at (586) 727-2665 if you have any questions!
