Our computer system will soon be under construction! All Suburban Library Cooperative libraries will be moving to a new system this month.

Patrons will be unable to place holds for items from **September 1st-21st, 2022**. Our new and improved system will be live **September 22nd**.

For those who regularly order through MeL, we expect to be live again with their system by November 1st.

Patrons can still visit the library and check out our items during this time.

NOTE: As of Sept. 22nd, all library patron PINs will be changed to the last four digits of their library card number. This can then be changed at any time.

We appreciate your patience during this transition! Please contact us with any questions at (586) 727-2665.
