## New Overdrive Partner Consortium Added

Full service library users now have an additional partner library to choose from when browsing e-books and audiobooks. The **Up North Michigan Consortium** group has been added to the list; click on "Partner libraries" at the top of the OverDrive landing page ([slc.overdrive.com](http://slc.overdrive.com)) and click on **Up North Michigan Consortium**. These may also be found using the Libby app. Visit the library if you need

assistance!

## New Wheelchair Accessible Table

With a generous donation from a member of the Richmond community, the library was able to purchase a height adjustable computer desk. This will help improve access for library patrons who need it, and we are very grateful for this new edition!

## OverDrive App Discontinued

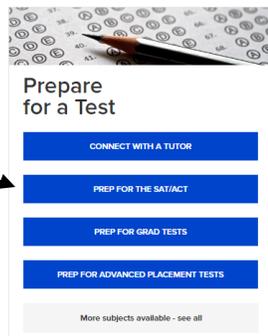

For those still using the first generation OverDrive app, now is a good time to switch to the Libby app. The OverDrive app will be discontinued at the end of April 2023, and Libby will be the only option for accessing the library's digital collection. Need help? Call the library at (586) 727-2665 or visit us for assistance.

## Preparing for the SAT?

Don't forget to take advantage of FREE SAT prep resources available through the library! All cardholders have access to Tutor.com, which can be found on the library's homepage at [www.cityofrichmond.net/library](http://www.cityofrichmond.net/library).

Once logged in to Tutor.com using your library card number and 4 digit PIN, scroll down to **Prepare for a Test** and select **Prep for the SAT/ACT**.

Here you can take full length practice tests, get detailed score reports, view video lessons, tips, and much more.

Don't have a library card? Visit the library or apply online at [www.cityofrichmond.net/librarycard](http://www.cityofrichmond.net/librarycard) to get started.
