Book Quarantining

As a reminder: All items returned to the library will be quarantined for 4 days **before** check-in. Not to worry-all check-ins are backdated to the day they came in to the library, so no overdue fines will accrue if they were returned on time.

Mask Reminder

As flu season approaches, it is more important than ever to protect our staff and fellow patrons by wearing a mask inside the library. We want to stay healthy so we can stay open to serve you!

If you are unable to wear a mask, we are happy to offer curbside service-give us a call at 727-2665 to schedule a time!

Mitten Tree Collection

November 2nd-December 14th

We will again be collecting new gloves, mittens, hats & scarves this holiday season. All items will be distributed via local charities, including the Richmond Lions Club, Sandy's Kids through the Richmond Schools, and the Blue Water Center for Independent Living. Items may be homemade or purchased.

Fall "Leaves of Trees" Youth Reading Program

The library is offering a fall reading incentive program, running now through November 6th, 2020. It is open to those in preschool through high school, and participating children complete a short book review for every book finished.

For the first three book reviews, participants receive a coupon for a free Taco Bell taco and a free drink at BP, as well as a leaf to put on our library trees! Participants will also have the chance to be entered in the weekly drawing for a half gallon of cider and half dozen donuts from Pankiewicz Cider Mill in Casco Twp; the winner will be one of the 10 best reviews submitted that week.

Program materials are available at the library!

Wireless Hotspots Available Now!

The library now has 8 wireless hotspots available for 2 week checkouts! They are available for those 18+ who have a valid photo ID and a Lois Wagner Memorial Library card in good standing.

Hotspots can connect up to 15 devices at one time, with unlimited data. Please note: these devices are filtered, but parents are responsible for content accessed while using the hotspots.

Call us at (586) 727-2665 or visit the library for more information.

This project is funded in part with a Library Services and Technology Act grant from the Institute of Museum and Library Services administered by the Library of Michigan.
