

RICHMOND POLICE DEPARTMENT

CERTIFICATE OF APPRECIATION

IN HONOR OF PUBLIC SAFETY TELECOMMUNICATORS WEEK

APRIL 10-16, 2022

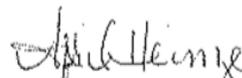

To all of those who answer the phone when people's emergencies are new and raw, and begin to deal with them armed only with a calm voice, a set of instructions, and reassurance help is on the way...

To those who are the first link in the chain of survival, but more than that, the invisible link that holds everything together...

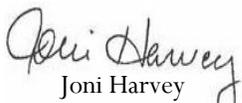

To those special people who are the behind the scenes, invisible, unsung heroes of public safety...
