

The Richmond Recreation Department operations are such that there are several occasions that volunteer opportunities become available with various events, programs and skills.

To categorize volunteer opportunities, some of the volunteer assignments may be classified as follows:

- Opening and Closing for programs and/or open gym time
- Taking money or punch-cards and document as needed
- Staff the building for group meetings or rentals
- Assist the Recreation Departments with events

If you have a special skill or talent that you would like to volunteer to share with the community, please include the details on your application under this category.

Regardless of the area you wish to volunteer your time and service, you must agree to follow the required steps to be approved and to become an eligible volunteer.

Volunteers will:

1. Complete and submit a Volunteer Application
2. Agree to participate in a background check through ICHAT
3. Attend Volunteer Orientation. The Recreation Director will provide all of the necessary training for those volunteers.
