HOME FOR THE HOLIDAYS EVENT

This year's Community Tree Lighting on December 6th was a great success. Many families came out to enjoy the festivities on a chilly winter night.

The City would like to thank the Christmas Committee, Richmond Good Old Days Festival, Miss Richmond and Little Miss Richmond and their Courts, Richmond Police, RVFD, DPW, the Recreation Department, RichmondTV, TIFA, RAHGS, Active Tree, Wild Flower Yoga, Maniaci's Banquet Center and Flora's Trash to Treasure for all of their help.

Special thanks to Emcee Tim Rix, the Richmond High School Choir for entertaining the crowd as they waited for the Santa Parade, and to our special addition to this year's event, the Richmond Community Theatre, for their Main Street performance from their play *Scrooge! The Musical* after the Tree Lighting.

Below is a drone photo from this year's event.

SPRING 2026 INFRASTRUCTURE PROJECTS

Gratiot Avenue Resurfacing – The City will be milling and resurfacing the portion of Gratiot Avenue from Main Street (M-19) to County Line. Traffic will be maintained under flag control during the project.

Storm Sewer Improvements – The City is connecting the storm sewer along Howard Street underneath the CN railroad tracks to the ditch that runs north along the west side of the tracks. The majority of the work will take place outside the roadway. The improvements will allow future drainage improvements on Howard Street.

Crack Sealing – The City will be crack sealing streets throughout town in an effort to preserve the roadways.

Division Road – This summer, the Macomb County Department of Roads will be reconstructing their portion of Division Road from the railroad tracks east to the county line. The City and County approved the use of MDOT Small Urban funding allocated for Richmond to improve the commercial driveway entrances within the project limits.

2025 VOLUNTEER OF THE YEAR AWARD PRESENTED

The City Council recently named Jay Rioux as the City of Richmond 2025 Volunteer of the Year; an award given each year in memory of longtime community volunteer Doug Pentzien. This year, the Council was proud to choose a very deserving person in Jay Rioux. Jay has volunteered many hours for both the City of Richmond and the Richmond Good Old Days Festival. Jay is part of the team of volunteers that each year put up and take down the City's Christmas Decorations placed on the light poles along Main St. and Gratiot Ave. He has also lent his carpentry skills to the community. When the City purchased the Aud, Jay worked to reconstruct the roof over the basement steps. He installed new flooring in the kitchen and Chief's office at the Fire Hall.

Jay devotes a considerable amount of time to the Richmond Good Old days Festival volunteering throughout the summer leading up to the Festival. Jay is instrumental behind the scenes at the Festival with all things maintenance; He is involved in grounds maintenance during the Festival including the coordination of trash removal, signage placement and the transportation of equipment and people to various events during the Festival weekend. Jay maintains many of the old Festival buildings as well as lending his skills in building new buildings and facilities.

When some new residents mention they don't know how to get involved in the Richmond community, Jay as a newcomer just walked up and started volunteering.

REMEMBER TO SHOVEL YOUR SIDEWALK

The City Code requires that snow be removed from sidewalks within 24 hours following a snowstorm. Shoveling your sidewalk will keep your children & grandchildren from having to walk in the street. We ask everyone to work together to keep our children & residents safe.

Plows will push snow into your driveway approaches, and in some areas, onto your sidewalks. This cannot be helped. Please do not shovel, push or blow snow from sidewalks & driveways into the travel portion of any street, doing so is a violation of the State Motor Vehicle Code & you may be cited and fined. Place the snow in the public median (between sidewalk & street) in a manner which does not block a sidewalk, obstruct vision, or create a hazard for vehicles.

Along the Main Street business district, place the snow within 3-feet of the curb line. Please notify your snow removal company of this requirement.
