

**CITY OF RICHMOND
DOWNTOWN REVITALIZATION PROGRAM**

PROGRAM PURPOSE:

The intent of the Richmond Downtown Revitalization Program is to encourage exterior improvements or site renovations to vacant commercial buildings and properties within the City of Richmond's Tax Increment Finance (TIFA) District by way of grants from the Economic Development Corporation (EDC) to offset the cost of revitalizing downtown buildings and properties. The improvements should conform to the development guidelines set forth in the City of Richmond's Business District Master Plan and Zoning Ordinance.

Success of the program will be a coordinated effort between local property owners, and the EDC to construct aesthetically pleasing facades and buildings to directly and indirectly encourage improvements among business owners within the city and to establish identities among the businesses while setting the stage for further development.

It is believed that the aesthetic enhancement of the buildings will not only improve the appearance of the overall commercial business districts but will also spark a greater promotion and support of local merchants from customers who witness and appreciate the visual improvements of the local establishments.

The EDC will work directly with the businesses to ensure that building designs remain compatible with each other and the surrounding residential area to promote a stronger sense of community for the City of Richmond.

PROGRAM DESCRIPTION:

PART I:

The Tax Increment Finance Authority (TIFA) has agreed to fund the EDC Downtown Revitalization Program for the 2020/2021 Fiscal Year. The EDC will work with the property owners and administer which provides up to 50 percent (50%) matching grants of up to \$15,000 for eligible projects. **There is one grant available per fiscal year (July 1, 2020 to June 30, 2021) and is awarded based on the merit of the project.**

PART II:

The EDC will provide design guidelines and recommended color palettes to all businesses based on the Business District Master Plan. The Planning & Economic Development Director is available to meet with potential applicants to discuss the guidelines as they apply on a particular property and/or building.

PART III:

The applicant is still responsible for all Site Plan Review and Building Permit Fees** for any project qualified and participating in the Façade Improvement Program.

(** Includes Signage, Electrical, Mechanical & Plumbing Permits and Fees still apply if needed)

PROGRAM IMPLEMENTATION:

Funds provided by this program are to be used for exterior rehabilitation to existing commercial buildings with the City of Richmond. Up to thirty percent (30%) of the total grant award may be used on interior improvements, provided the applicant shows a demonstrated need. (Items such as Mold Remediation/Removal, Upgrading Electrical Wiring, and upgrading the Heating, Ventilation, and Air Conditioning could be eligible.) Up to an additional ten percent (10%) of the total grant award may be used on interior improvements if the improvements are to make the building meet ADA requirements.

All improvements are to be approved by the EDC in advance. Applicants who deviate from the approved application may be disqualified from the program. The EDC also reserves the right to reject or modify what is eligible and how much can be reimbursed.

ELIGIBLE APPLICANTS:

Property owners within the TIFA District are eligible to apply for participation in this program. Property taxes (real and personal) on the real estate must be current.

ELIGIBLE BUILDINGS:

- Any existing or proposed commercial building located in the TIFA District which is currently vacant.
- Priority will be given to new businesses deemed having the potential for making a positive contribution to the quality of the community.
- Grants shall not exceed \$15,000 for the building and site.
- Projects approved for assistance must comply with all applicable codes and ordinances for the City of Richmond. All projects require building permits and may require site plan approval by the Planning Commission.

ELIGIBLE EXTERIOR FAÇADE IMPROVEMENTS:

Materials, labor, equipment, architectural/engineering design services, for exterior improvements to the front, rear or sides of buildings are eligible. Eligible improvements include, but are not limited to:

1. Removal/Demolition
2. Doors and/or entry Replacement
3. Masonry Cleaning/Restoration
4. Storefront Redesign/Construction
5. Carpentry and Painting
6. Window Replacement/Restoration
7. Roof Replacement (when done in conjunction with an exterior improvement)
8. Lighting/Signage (when done in conjunction with an exterior improvement)
9. Interior improvements up to ten percent (10%) of the grant, if the improvements are designed to make the building meet ADA requirements.

ELIGIBLE SITE IMPROVEMENTS:

Site improvements (on private property only) are eligible when completed in conjunction with exterior or façade improvements to existing structures and new buildings:

- | | |
|-----------------------|--------------------------------|
| 1. Landscaping | 2. Parking Lot Reconstruction |
| 3. Lighting | 4. Sidewalks/Pedestrian Access |
| 5. Dumpster Screening | |

ELIGIBLE INTERIOR IMPROVEMENTS:

Limited interior improvements are eligible when completed in conjunction with exterior or façade improvements to existing structures, provided the applicant demonstrates a need. Eligible interior improvements include, but are not limited to:

1. Mold Remediation/Removal (Replacement of rotted or damaged floors and/or walls).
2. Upgrades to Electrical Wiring
3. Upgrades to HVAC Systems
4. Upgrades to Plumbing Systems.

INELIGIBLE IMPROVEMENTS:

Ineligible improvements include, but are not limited to:

- | | |
|---|---|
| 1. Land Acquisition | 2. Interior Renovations |
| 3. Loan Fees, Mortgage/Land Contract Refinance | 4. Appraiser, Attorney, Interior Designer Fees |
| 5. Electrical/mechanical Permit Fees | 6. Personal property (furnishings, etc.) |
| 7. Expenses paid for Goods or Services | 8. Site Improvements associated with Special Assessment Districts |
| 9. Wages to applicant or relatives in record line of consanguinity unless licensed to do such work. | |

TIMETABLE:

Approved applicants shall sign an agreement to comply with the Commencement and Completion Timetable as a condition of approval for participation and shall be subject to all RFIP guidelines and all amendments thereto. The commencement and completion dates will be ‘best guess’ estimates that are mutually acceptable to the applicant and the EDC.

In the event that actual physical construction on a project has not commenced within sixty (60) days of the EDC commencement date, or if a project has not been completed and has not been granted a Certificate of Completion within one year (365 days) of the

EDC commencement date, the EDC will evaluate the status of the project. At its discretion, the EDC reserves the right to revoke approval of the project.

OTHER PROGRAM GUIDELINES:

1. Construction work may be phased.
2.
 - a. Within a five (5) year period, a property address may not apply for Downtown Revitalization Program participation more than once for the same store unit.
 - b. The total amount awarded to a property owner for the same parcel during a five (5) year period may not exceed \$30,000.
 - c. Whenever the property ownership changes, the new owner is eligible to apply for the EDC Downtown Revitalization Program. When a change of ownership occurs, the EDC may consider factors such as prior improvements and further eligibility shall be at the sole discretion of the EDC. A new five (5) year timetable and \$30,000 maximum would apply to the new owner without concern for the application of guidelines to the former owner, provided all other Downtown Revitalization Program guidelines are adhered to.
 - d. Whenever the business tenant changes, the new tenant becomes eligible for Downtown Revitalization Program participation. A new five (5) year timetable and a maximum of \$25,000 would apply to the new tenant without concern for the application of guidelines on the previous tenant and provided all other Downtown Revitalization Program Guidelines are adhered to.
3. At the EDC's discretion, an exception to any Downtown Revitalization Program guideline may be granted due to special conditions or situations.
4. All Downtown Revitalization Program projects are subject to audit by the City of Richmond.

PROGRAM APPLICATION PROCESS:

1. Applications for program will be available through, and accepted by the Assistant City Manager.
2. The application form will contain all items necessary before consideration by the EDC.
3. A site visit will be scheduled after the application is submitted. At that time a Site Review Form will be filled out which will document the scope of work in detail including the guidelines and/or criteria on which the schematic design will be based.
4. The EDC will meet, as necessary, to review applications unless determined otherwise by the Committee. The applicant may make a small presentation to the Committee if deemed necessary.
5. The EDC will review the application and either approve or reject it. A copy of the Project Approval Form will be sent to the applicants. If site plan review

is required by the Planning Commission, the plan will be placed on an upcoming agenda for approval, modification, or rejection.

6. The EDC will send a copy of their decision to approve or deny an application to the property owner.
7. Each applicant will have thirty (30) days from the date of the EDC approval to sign a Grant Acknowledgement Form agreeing to the terms of the grant award

POST APPLICATION PROCEDURE:

1. Construction may begin after EDC receives the applicant's Grant Acknowledgement Form and issuance of all necessary Building Permits.
2. The EDC's designated representative will conduct periodic inspections to verify that the work is consistent with the approved application and to ensure compliance with technical specifications.
3. Any changes in the work must be submitted to and approved by the EDC in writing, in advance. Only the EDC will have the authority to approve or reject such changes.
4. All approved changes in work shall be attached to the original application in the form of an addendum, dated and signed by both the applicant and EDC.

City of Richmond Downtown Revitalization Program

Design Guidelines

1. Changes to the façade of the building will not remove, alter, damage or cover up significant or historic architectural features of the building which are original or which reflect a major alteration that is itself architecturally coherent, or which help create a unified and attractive appearance to the building.
2. Changes to the façade of buildings will either; a) partially or fully restore to the appearance of a historic building based on actual evidence, including photographs, written documentation, data on the building or site or other data, or b) represent a modern treatment which blends into and is compatible with the building and adjoining buildings.
3. In general, the RFIP Committee will encourage repair and preservation of existing features of facades, unless alterations to these facades have resulted in an incoherent, unattractive or inharmonious appearance. While encouraging correction of such alterations, the RFIP Committee will advocate minimal alterations of harmonious features.
4. For façade which have previously been substantially altered and for which a modern treatment is chosen, such a treatment will conform with the features, materials, rhythms, color and general appearance of the building and those adjoining, particularly if the building is one in a row of buildings with identical or similar design features.
5. A historical paint color palette is provided to guide your selection of paints. Paint colors shall be compatible with adjoining buildings and colors. Trim, colors, which highlight building details, are encouraged. Spectacular colors shall be avoided.
6. The size, color and shape of signage should complement the building façade. ‘Floating’ letter and logo type signs will be encouraged. Large box and rectangular shaped signs will be discouraged.
7. The surface cleaning of the structures will be undertaken with the gentlest of means possible. Cleaning methods that damage the existing building materials, particularly sandblasting, shall not be undertaken.
