Woodward Avenue Chili - 2017 Major Event Sponsor

Available at your local Meijer & Kroger Locations

Made in Michigan Chili !

There is nothing better than a Michigan Chili in February and the annual Richmond Winter Festival provides the opportunity annually to sample some of Michigan's best!

"This year the Richmond Recreation Department will provide the same opportunity to local Michigan chili cooks and chili lovers!" noted Director Margo VanHove. The change this year is that one of our own Richmond area businesses, **Giovanni's Appetizing Food Products** that produces 'Woodward Ave. Chili...the Michigan chili for Michiganders' will be our major sponsor this years event. (www.woodwardchili.com). This is a great fit for the Richmond area because rumors have it that Richmond (31 Mile Road & Gratiot - formerly Muttonville) was the birthplace of Michigan's first chili in the mid-1800's.

The Winter Fest event will again include general public tasting with 'peoples choice' awards (\$2 per tasting ballot - between 11am & 1:30 pm) with awards presented at 1:30. However this year an additional \$100 cash award in the 'individual category' will be based on the 'judges choice' (an independent panel of judges). This award will be presented at 12:30 pm. The event will also be adding medals, plaques and trophies to all categories based on independent judging! Medals for 'Best Flair' will also be presented in each category!

We will also be featuring two additional great Michigan soup and chili makers!

Achatz Soup and Catering (Casco Township/Marine City "...with soups and chili that simmer for hours to bring out aroma and flavor)" have stepped up to be a secondary sponsor along with **Golden Hawk Golf - Banquets** (Casco "...great golf course (leagues and outings) with a premier banquet hall (wedding, showers, etc.) just ask any golfer... their chili is great too!)"

Available at:
8111 St. Clair Hwy, Casco, MI.
www.achatzcatering.com

All three sponsors will provide sampling as well!
