First-Time Users: Installing and Setting Up the OverDrive App

1. Search in the device's app store for the free  OverDrive Media Console App. Select to **Install** the app.
2. When the download is complete, open the OverDrive app.
3. An Adobe ID is needed to download books from OverDrive.

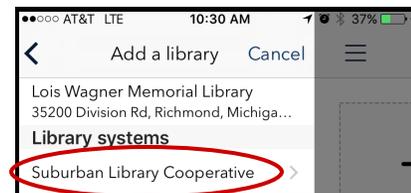

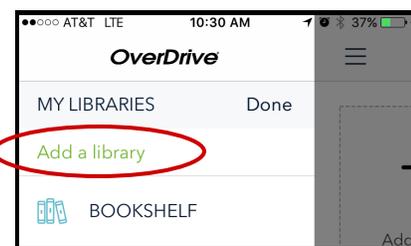

-You will be asked to **Sign In** or **Register at Adobe.com** to download from OverDrive.

(If not, you will be prompted to do this when you download your first eBook through the app).

-If you already have an Adobe ID, press **Sign In** and enter the email address and password associated with the account and press **Authorize**.

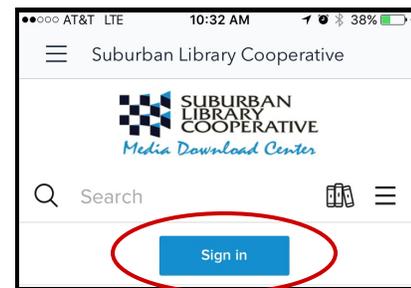

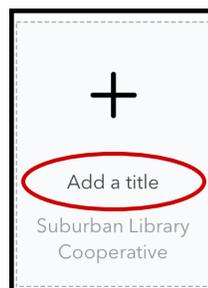

-If you don't have an Adobe ID, select **Register at Adobe.com**. Enter your email address, a password, and your name. Press **Create**.

4. Return to the OverDrive **Menu** (In the upper left hand corner displayed as 3 lines or as the Overdrive logo). Select **+ Add a library**.
5. Enter **Lois Wagner Memorial Library** or your zip code. Press Search. Select the library. It will be listed as the **Suburban Library Cooperative** because we are part of a larger library network.

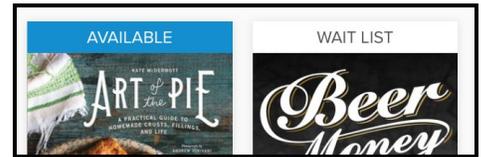

Browsing and Checking Out eBooks and eAudiobooks

1. Open the OverDrive app. Select **Add A Title**.
2. Click **Sign In** and select **Lois Wagner Memorial Library**. Enter your complete library card number and click **Sign In**.
3. Browse for a book by pressing the menu button or search for a specific title or author by pressing the magnifying glass.

4. Titles that are available for check out will have a blue **Available** heading; if a title is not available, it will have a white **Wait List** heading.

5. When you've found an available title that you would like to read, press the cover and then select **Borrow**.

-If the book is not available, there will be a button that says **Place a Hold**. If you enter your email address after selecting **Place a Hold**, you will receive an email when the book is available. OverDrive then gives you 72 hours to download the book on hold.

-The title can be borrowed up to 21 days. You can change that time period before you press **Borrow**.

-If a title is available to renew, the option will become available within 3 days of expiration.

-You will NOT have overdue fines from an eBook or downloadable audiobook.

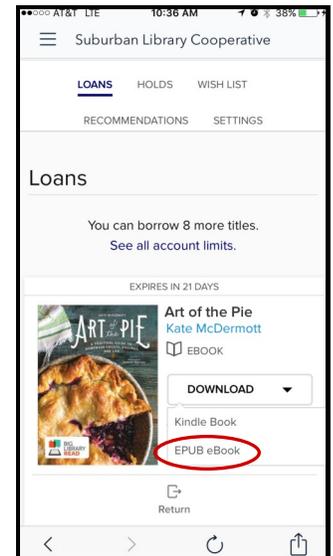

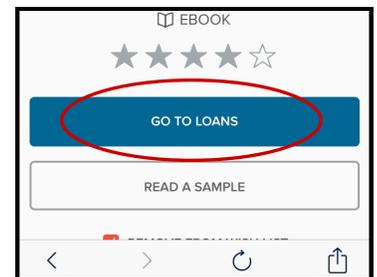

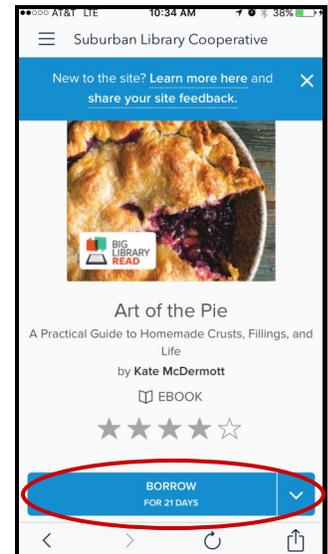

6. After selecting **Borrow**, click **Go To Loans**.

-Select **Adobe EPUB eBook** for eBooks

-Select **Download (MP3 Audiobook)** for audiobooks

7. The downloaded eBook will be available in the OverDrive app Bookshelf; select the three lines in the upper left hand corner ☰ and then select **Bookshelf**.

8. To open the book, tap the cover.

Returning an eBook early

In the app's Bookshelf view, hold the cover and select **Return to library**.

Otherwise, the title will expire after the designated time and return itself.
